District Schools Plan Observance of Schools Week

Public Schools Week will be observed in the Tahoe Truckee Unified School District April 25-29 with a series of open house programs in the five schools.

Donner Trail Elementary will welcome visitors between 7 and 9 p. m. Monday, April 25.

On Wednesday, April 27, from 7 to 9 p. m., Kings Beach, Tahoe Lake and Truckee elementary schools will hold open house.

The Tahoe Truckee high school will make similar observance of the occasion during the hours of 7:30 to 9:30 on the evening of Thursday, April 28.

Throughout California, it is estimated three million parents and adult friends of the state's school children will visit classrooms during the week. Theme of this year's observance is "Keep America Strong — Support Our Public Schools."

First initiated by the Grand Masonic Lodge of California in 1920, Public Schools Week has developed into a major public event on the state's school calendar.

"Parents and taxpayers have a real investment in their schools," savs Lorrin W. Ferdinand, master of Truckee Lodge 200, F&AM, "and good investors have an obligation to see how their money is being spent.

"Parents particularly must never forget that successful educational programs are not the sole responsibility of the school. Home influences are usually decisive in how well children do, both in and out of the class room. Public Schools Week offers a good opportunity to assess the achievements and, possibly, shortcomings of the local educational establishment," Ferdinand concluded.

The open house provides parents a chance to broaden their understanding of their own youngsters progress, strengths and problems, as well as to acquire a clearer picture of the school district's operation, the concerns faced by instructors and students.

duChene Resigns As Hospital Chief

NEVADA CITY—Harry duChene, administrator for the county's general hospital, submitted his resignaton to the board of supervisors at their meeting last Thursday. Effective May 1, he will be succeeded by Richard Kuhwarth, now on the staff of county auditor John T. Trauner. Dr. C. Jackson Rayburn, county health officer, also resigned, effective June 1.

Among several items in his last report duChene urged the board to clarify contracts with the Truckee and Grass Valley ambulance firms to avoid confusion over county authorized deliveries.

Supervisor Henry Loehr of Truckee was absent, convalescing from surgery performed the day before. He spoke with the board by telephone from his hospital room.

Lee Johns, president of the county employees association, and Frank Gallino, undersheriff, appeared to present items for consideration in the 1966-67 budget. Among these was a request for "subsistence pay" for sheriff's deputies in Truckee, due to "the higher cost of living" in the Truckee-Donner area.

Three Fined by Wilson For Drunken Driving

Three men appeared before Judge F. W. Wilson in the local judicial district court Tuesday and each pleaded guilty to drunk driving charges, filed by the California Highway Patrol.

Robert Stanley Freeman, 43, Rio Linda, was sentenced to six days in jail and fined $496. Arnold Nissen Albertsen, 48, Danville, was fined $440. Award Allen Jewell, 62, Carmel, was fined $276 and had his license suspended for six months.

Mike Cline Is Fastest Quarter Miler in Meet

ROCKLIN—Mike Cline of Tahoe ran the fastest quarter mile yet recorded on the new Sierra College track last weekend, an impressive 50.6 seconds, to score the first of two wins as Sierra rolled over three Golden Valley Conference foes. Sierra scored 70 points to 40 for Marin, 39 for Yuba and 21 for Napa.

WELCOME SON

Robert Ty, the first son and third child for Mr. and Mrs. Robert Tonini of Truckee, was born April 15 at Reno. The husky lad weighed in at 9 pounds, 14 ounces and was also welcomed by sisters Theresa and Lisa.

LAKE LEVEL

TAHOE CITY—Daryl De Walt's office reports the level of Lake Tahoe yesterday reached 6227.66, with 70 cf per second leaving the gates. A seasonal high temperature of 66 degrees occurred April 16 and a low recording for the week was 22 degrees.

-Road Solution At Emerald Bay Told to Chamber

INCLINE VILLAGE — Fred L. Jones, director of the California department of parks and recreation, told directors of the Greater North Lake Tahoe Chamber of Commerce, meeting here April 13, that he favors an all-year highway at Emerald Bay.

He did say his department "questioned the assumption that an all-year highway necessarily means a bridge across the mouth of the bay." Rather than a four-lane divided highway, as proposed by the state division of highways, Jones suggests two two-lane highways. A new one would carry fast commercial traffic and the present route, with improvements, would be reserved for scenic enjoyment by motorists. The commercial route would be maintained year-round under Jones' proposal. The Emerald Bay section of State Route 89 is usually closed in winter, due to slides.

All-year maintenance would be made possible by construction of a 4000 feet tunnel, comparable to the Wawona Bore in Yosemite National Park, under a ridge separating Cascade Lake from Emerald Bay.

The parks director told the luncheon session that a low-level bridge route with a fill or viaduct would "bisect the scenic state park area of Emerald Point, which is now accessible only by trail or boat." That would result in the loss of at least 100 "badly needed campsites" in areas on each side of Emerald Bay which already are developed.

The speaker expressed an opinion that other needs for funds available "will necessarily defer any actual major, new construction in the Emerald Bay area for approximately 10 years."

Meanwhile, Chamber President Jack Domergue emphasized another highway problem concerning north Tahoe residents by saying "1966 traffic is using a 1932 road between Squaw Valley and Tahoe City." He said another meeting of the chamber will be scheduled with division of highways officials soon to discuss State Route 89 and particularly the Emerald Bay section.

Tahoe Area Museum Will Be Displayed In Schools' Week Show

TAHOE CITY — Again, during Public Schools Week, April 25-29, Mrs. L. Farr's fourth grade class at Tahoe Lake School, will show an authentic museum of local and Tahoe area history.

"We hope that this collection will be as fine as the one we made last year," Mrs. Farr said, "although many of our pioneer sources are moving away or are completely lost to us through death."

The museum will be on display during the day on April 26, 27 and 28 and will be open from 7 to 9 p. m. next Wednesday evening. All visitors are welcome.

"We urge the attendance of all those who are supporting a permanent museum in Tahoe City. Help Tahoe get a museum before it is too late," Mrs. Farr concluded.

th Annual Fire Ettes Hat Party Successful

The fourth annual hat parade of the Truckee Fire Ettes was held April 14 at the San Francisco Flycasting Club along the river east of here, with co-hostesses Stina Leufgen and Daisy Foote presiding at the dinner.

Mrs. Charles Lomax was chairman of the decorating, with spring as the theme, indicated in the daffodils used artfully in the rooms.

Ella Waters was given first award for her clever headgear in the Easter motif, complete with a pair of bunnies. Each participant wore a creation of interest.

The San Francisco Flycasting Club was generous in its donation of the building and dinner for the benefit of the Fire Ettes fund.

PAINT JOB

The aspect of Commercial Row in Truckee was brightened this week when the face of the three-story Masonic Building was painted a pastel yellow.

Drulias Return—

Mr. and Mrs. William Drulias are again greeting friends in the Brockway golf course area, after having spent the winter at Rancho Mirage.

Extensive Agenda Is Facing Planners at Lake This Week

TAHOE CITY—A full agenda for today and tomorrow will occupy itself with planning questions in the Lake Tahoe area when the Placer County Planning Commission meets at the California Alumni Center in Tahoe City.

First item at 1:30 this afternoon will be a zoning amendment application from Herbert and Donald Beck and A. J. Flagg, pertinent to property on Highway 89 half a mile south of the Tahoe City "Y". They seek a change from Special Business to Commercial.

Next is an application by Warren W. Jones to rezone property southwest of Tahoe City, "to allow a planned development with single and multiple dwelling facilities" to be known as Tahoe Woods.

A. E. Abbott and B. A. Viera have asked to construct a warehouse and plumbing shop on National Park Avenue, Tahoe Vista.

Tomorrow at 10 a. m. a public hearing will begin on the 10th hearing for the Tahoe Regional Plan. While eight specific items are listed under this heading, it has been suggested adoption await recommendations of the regional planning commission, due before the end of May.

Final maps for Agate Bay Vista No. 2, embracing 83 lots, and Highlands Greens No. 2, 33 lots, will be considered.

A second public hearing will be had on the Placer County General Plan and on the Tahoe-Sierra Zoning Ordinance. In connection with the latter, maps are scheduled to be presented for Brockway-Kings Beach, Carnelian Bay, Dollar Point, Tahoe City, Idlewild-Sunnyside, McKinney Bay-Homewood, Twin Peaks and Ellis Peak.

North Lake PUD Buys Water Works

TAHOE VISTA—The North Tahoe Public Utility District has culminated four years of negotiation in purchasing the Brockway Water Company from Maillard Bennett. The contracts have been submitted to appropriate state agencies in California and Nevada for approval.

Ed Francis, district manager, indicated he anticipates full official endorsement of the transfer. The water company serves an area roughly equal to the utility district boundaries.

The NTPUD board previously discussed a bond issue election to finance upgrading the facilities as soon as they were purchased, but no formal action has been taken. Revenues from water sales are expected to pay the $180,000 cost of the system.

Pre-Registration Now In Progress for Next Year at School Here

Pre-registration for the 1966-67 school year is in progress at the Tahoe Truckee High School. During the next two weeks the incoming eighth grade students will be registered.

Appointments are at present being arranged with the parents of those incoming students so that they may be present during the pre-registration conferences. James Brehler and Mrs. Carmen Norfolk of the high school counseling staff will meet with the parents and the incoming students at their respective schools.

All parents are urged to take advantage of these conference periods so that they may help in the planning of this next important step in the education of their children.

Tahoe Soroptimists Trek to Bakersfield

Helene Turchet, president; Louise Scoville and Leah Hopkins, delegates, will represent the Lake Tahoe Soroptimist Club at the Second Regional conference in Bakersfield April 22-24.

More than 800 Soroptimists from throughout California, Nevada and Hawaii will take part in the parley, which will have as its theme "Accent on Youth." Governor Mary Ellen George of Saratoga will preside over the session.

At Convention—

John Corbin, superintendent of Tahoe Truckee Unified School District, attended a convention held this week at Roseville.

Public Hearing Set May 9th On Incorporation

Monday, May 9, is the date set by the local agency formation commission for a public hearing on a proposed incorporation of Truckee. The session will be at the Veterans Memorial Building here.

A petition, signed by 28 proponents of incorporation, asked the agency to hold the hearing and either approve or disapprove the petition for incorporation of a city.

The agency has 31 days following the hearing in which to act. If they act favorable, proponents of the measure will submit a petition signed by a requisite number of voters to place the measure on the ballot.

If the agency disapproves the request the incorporation issue is buried for at least one year.

Should Truckee become an incorporated city it would be the largest in area in Nevada County with a total of 44 square miles.

Help Wanted By Truckee Scouts

Truckee Troop No. 7, Boy Scouts of America, has a full quota of able, determined, eager to learn young men. At present, the group is faced with a "leadership gap." Capable, sympathetic and stable men are needed now to work with these youths, ranging in age from 11 up.

Two local men who have brought the troop up to top rating are unable to continue. Arlie Fisk has been transferred from the area by the highway patrol and Ken Ford is in ill health. Incidentally, under their leadership the group went to its first Scout-O-Rama recently, bringing home first place and Presidential ribbons.

It is not necessary to have a son in Scouting to qualify. Anyone interested should call 587-4056. Presently, Troop 7 meets each Monday.

Tahoe Forest Hospital Greets Six New Babies During the Week Past

The nursery at Tahoe Forest Hospital is a busy place, following the arrival there this week of six babies—four on one day.

Born Thursday, April 14, were a son, Ronnie Edwin to Mr. and Mrs. Stanley E. Peard ofTruckee, weight five pounds, one ounce; a son, Jared Lawrence, to Mr. and Mrs. Larry R. Barnwell of Pineland, weight five pounds 11½ ounces; a daughter, Tina Marie, to Mr. and Mrs. Presley C. Lipscomb of Tahoe City, weight five pounds six ounces; a son, Patrick David, to Mr. and Mrs. Jon Angilley of Tahoe City, weight five pounds 8½ ounces.

Arriving April 16 was Shawn David, son of Mr. and Mrs. Donald J. Parsons, Squaw Valley, weighing nine pounds, half an ounce. April 17, Mr. and Mrs. Earl H. Smith, Truckee, welcomed their son, Earl Andrew, who weighed seven pounds six ounces.

Move Up Your Clock on Next Sunday Morning

It's that time of the year again. As of 2 a.m. Sunday, April 24, clocks will be moved ahead one hour, shifting the state from standard to daylight savings time. This device to extend the hours of daylight will prevail until October 30, when the clocks will be moved back an hour in a return to so-called "standard" time.

Social Security Man Due Here, Tahoe City

A representative of the Social Security Administration will be in Truckee on Tuesday, April 26. He will be at Room 3, County Office Building between 9 and 10 a.m.

He also will be in Tahoe City at the Community Center, upstairs, between 12:15 and 1:15 Tuesday, April 26.

Anyone having questions about his Social Security can contact him there and he will be happy to assist you.

Two Join Navy—

Robert (Butch) Frates and Jim Randall joined the U. S. Navy and went by jet to San Diego where they have begun basic training.

New Lane Marker System Projected On Summit Road

Bids will be opened May 25 by the California division of highways for installation of white, reflective lane markers over an 18-mile section of Interstate 80 in Placer and Nevada counties. The recessed, button-type reflectors will be installed in both east and westbound lanes from 1.3 miles west of Hampshire Rocks undercrossing east of Yuba Gap, to the agricultural inspection station near Truckee.

There is $96,000 available for the project, according to officials at the Marysville district office.

This will be the first major use of recessed pavement markers on a California highway.

The project follows a small, experimental installation on I-80 near Kingvale which demonstrated that recessing markers is an efficient and economical way to provide lane delineation in the snow region.

By placing the markers into drilled holes flush with the pavement, they escape damage from snowplows. Yet, they are capable of yielding a high degree of visibility day and night when the pavement is not obliterated by snow.

They will take the place of the conventional white painted stripe in the 18-mile section slated for the installation. This will provide permanent lane designation in the mountain area where eroding effects of sand, salt, freezing and thawing have made it necessary to re-stripe the white painted line four times a year.

Burglars Strike Twice, Get Little

After an hiatus of several weeks, Truckee was again hit by burglars last week—twice on one night.

Last Thursday, a louvred window at Fontana's Laundry was forced and some small change stolen from the office. Several desk and file drawers were pried open, causing considerable damage but netting no loot to the invader.

The same night, a thief entered the Gateway office of Dr. Ben King by breaking the window in a door. The effort netted two dimes, although a strong box was forced yielding nothing but personal papers. While narcotics may have been an objective of the burglar, none was taken.

The Truckee substation of the Nevada County sheriff's office investigated.

Joint Schools Music Festival Is Planned For Night of May 7

Harold Drummond, principal, announced this week the young musicians of the elementary schools as well as the high school of the Tahoe Truckee Unified School District will join in the second annual music festival on the evening of May 7, at 8 o'clock in the high school gymnasium, under the direction of Frank Austin and Mr. and Mrs. Richard Small.

There will be 110 elementary school students participating in the program.

The event, to which the public is cordially invited is anticipated with pleasure and reflects the talent of the students as well as their instructors.

New CHP Sergeant Here, Family to Follow Soon

Sgt. E. A. Lewis, Jr., has joined the Truckee squad of the California Highway Patrol, replacing Sgt. Matthew Brown, who transferred to Merced April 9.

His wife, Phyllis, and their three children, Barbara, 16; Christine, 15, and Richard, 8, will join him at the end of the current school year.

Before going on the patrol, Lewis was an English teacher. He became a member of the CHP at Norwalk in 1955 and has served in southern California since then. Sgt. Lewis requested his transfer here when the vacancy occurred.

TO ACADEMY

James Gregory Schwartz, son of Mr. and Mrs. Don Schwartz of Sugar Bowl, received notification this morning of his appointment to the U.S. Air Force at Colorado Springs by Representative Harold T. (Bizz) Johnson.

Medicare Session Slated at Truckee by County Official

There are still many people who are unfamiliar with the various phases of the federal medicare program and the California medical assistance act, whom and how it effects the elderly and what benefits are available.

For this reason, John T. Trauner, Nevada County Auditor-Controller, has scheduled a public meeting to be held May 6 at 3 p. m. in the County Government Building in Gateway Park during which he and a representative of the welfare director will explain and answer questions regarding the two acts.

The subject is rather confused in the minds of many people and it is the desire of Trauner to simplify the problems and with the assistance of the welfare department to make it clear just what benefits are available and how they may be obtained.

The local meeting follows similar gatherings which have attracted interested audiences in the western end of the county and Trauner is desirous of bringing the message to the residents of this portion of the county.

Of particular interest is how the federal and state programs coordinate efforts, the state providing many services not covered by medicare, such as care for those under 65 in many instances.

The public is cordially invited to attend the meeting which was set up for 3 p. m. in order to give those most effected to attend a daytime meeting instead of at night.

Last Rites Honor Mrs. McClanahan

Graveside rites were held in Trailsend Cemetery at Tahoe City last Friday at 1 p. m. for Mrs. Alma Ellen McClanahan, 72, a resident of Tahoe City for the past three and a half years, who expired last Wednesday evening following a protracted illness.

Rev. Frank Evans officiated at the service and the Truckee Colonial Mortuary was in charge of arrangements.

Mrs. McClanahan was a native of Iowa, born March 15, 1894. She had been making her home with a son, Robert H. McClanahan of Tahoe City, who survives.

There are also two brothers, Richard Kennitz and Fred Kennitz, both of Emmetsburg, Iowa, and a sister, Mrs. Annie Miller of Ruthven, Iowa, and one granddaughter, Roberta McClanahan of Tahoe City, surviving.

Mercury Ranges 72 to 16 Degrees, Snowfall Recorded This Week

If you don't like our weather, stick around. It will change.

Friday, the U. S. Forest Service observer here reported the week's high temperature of 72. Fair weather prevailed Saturday, followed by high winds Sunday. Monday morning fresh snow covered the ground, with .04 inch precipitation. Norden reported an inch of snow for 33 inches on the ground that morning, compared with 90 inches last year the same date.

Low temperature for the week was recorded early yesterday morning—16 above zero.

Sanitary District to Ask Bids on Construction Job

The Truckee Sanitary District will open bids at 7:30 p. m. May 24 on a major construction project, according to August Sassarini, board chairman.

The work will consist of furnishing and installing facilities for outfall lines, manholes, treatment facilities and other work set forth in the specifications. A detailed legal notice will be published in the Sierra Sun for April 28.

SCHOOL DANCE

A "Sadie Hawkins Day" dance will be held by the students of Tahoe Truckee High School tomorrow evening, April 22, from 7:30 to 11 p. m.

Thumbs Injured—

Mrs. Lester Cavanagh and Mrs. Frank Quilici were hospitalized this week with injuries of their thumbs.

Four Are Killed In Pair of Accidents, Speed is Blamed

Three people died and four were very critically injured last night at nine o'clock in a high speed crash of a 1958 sedan into the trailer of a large commercial tractor-trailer rig. The accident occurred on the Highway 89 overpass at Interstate 80.

Dead are Richard D. Lowe, 29, Roseville, driver of the car; Bruce Licciani, 17, Citrus Heights, and a female juvenile, unidentifed pending family notification.

Injured were Barbara Lucille Curtis, 17; James Aaron Clifton, 15; Debbie Clifton, 16, all of Truckee, and Hubert Lee Kuykendall, 18, Roseville. All were taken to Tahoe Forest Hospital and the latter three were later removed to Washoe Medical Center, Reno, in very critical condition.

Patrolmen reported the Lowe car was going south on 89 at a high speed when it slammed into the trailer of the rig leaving IS 80 from the east and going north. The impact was with such force that the sedan lodged under the other vehicle.

Raymond Edward Pilv, 41, of Clarksburg, driver of the truck, was not reported injured.

Investigation by CHP Officers Royce Hodgkins and Glenn Virus is continuing. The bodies were taken to Truckee Colonial Mortuary.

* * *

A Sacramento man died instantly early yesterday morning when his car left Interstate 80, just west of the Soda Springs overcrossing. The California Highway Patrol said excessive speed was the probable cause.

John Wayne Purcell, 46, of 8191 Vivian Court, was the sole occupant of the 1958 Edsel. The CHP reports the car laid down 450 feet of skid marks, turned over four or five times and ended up about 40 feet north of the highway.

Purcell was thrown from the car, the body being found a distance from the vehicle. He was taken to Truckee Colonial Mortuary, pending arrangements.

Officers Ben Short and Walt Kalb conducted the investigation. The mishap occurred about 1:00 a. m. Wednesday.

Active Calendar For Hospital Aux.

Members of the Tahoe Forest Hospital Auxiliary met Monday night at Bacchi's in Tahoe City, with a busy agenda of upcoming events in the planning.

The Sierra Spree, a major fund raising effort by the group, will be held May 26 at the North Shore Club. Jean Van Wetter and Bernice May are general chairmen, with Pam Christensen in charge of decorations.

May 22 is the date set for a mother and daughter tea, to honor members of the junior auxiliary. Mary Ann Evans is chairman of the tea, which will be held at the home of Jean Holley.

Maxine Olson, publicity chairman, announced the national observance of Hospital Week, beginning May 9. The local group will participate actively.

Mrs. Van Wetter presided at the meeting.

Women of Wyethia Attend Convention Of District at Colusa

Seven members of the Wyethia Federated Women's Club attended the annual Sutter District convention in Colusa April 12 and 13, including Mrs. Eva Aweeka, president, together with Mrs. Marika Cattan, Mrs.. Mary King, Mrs. Julia Davis, Mrs. Sadie Fields, Miss Ella Waters and Mrs. Laura Horman.

The programs and business sessions were both interesting and informative. Costumes from the late 1800's and the early 1900's pointed up the fact that the Federated Women's Clubs are celebrating their Diamond Jubilee 75th anniversary this year. Two ladies modeled the dresses they had worn to graduate from high school in 1908 together. The second section of the fashion show consisted of the modeling of knitwear and home sewn clothing modeled by the ladies who had made them. Each item was identified by the commentator, together with the appropriate information as to the fabric and pattern used and the approximate cost.

Mrs. E. F. Bryant, state president of the California Federation of Women's Clubs, gave a progress report on the many and varied activities of the women's clubs and also installed the newly elected Sutter District officers.

At the awards luncheon Wyethia Club was awarded certificates of merit in three categories.

CEMETERY BOARD

The regular meeting of the Truckee Cemetery District board will be held in the Nevada County government building here Monday, April 25. President Earl K. Stice is expected to convene the session at 7 p. m.

Acting as models at the fashion show were Margie Cole, Marguerite English and Jean Callender. Also in attendance was Laura Wilson.

Receiving an individual award was Kay Mendonca whose pastel portrait painting "Regal" was submitted by the club in the non-professional exhibit. Mrs. Mendonca won second place with the painting.

Truckee P. T. A. Seats Officers At Busy Session

The Truckee Elementary PTA held its regular monthly meeting Monday night, Mrs. Shirley Gini presiding.

Committee reports were heard from Maylou Smith, who told members of the recreation department plan to give lessons at Donner Lake. She spoke of the swimming committee's accomplishments and urged support of the swimming pool program. Don Westbrook reported that local Scout and Cub groups had earned blue ribbons at the Auburn Camporee. Mrs. Kate Miles reminded everyone that the scholarship dinner would be held April 29 at Crystal Bay.

Mrs. Gini asked for volunteers for the leukemia drive, with a meeting to be held April 29 at 1:30 p.m. at her home. Virginia Doyle was appointed to audit the books.

Members voted to send Pat Sutton to the state convention at San Francisco as local representative. It was also voted to have the benefit dinner again next year.

Weston Sauby spoke briefly on state testing, noting changes being made in the program.

Guest speaker for the evening was Landon Dunn, education consultant for the school district. He discussed the library being prepared for the school and of remedial reading classes to be offered students.

Barbara Grow officiated at the installation for next year's officers, presenting each with corsages. Mrs. Gini presented Mrs. Sutton with the president's gavel and Mrs. Sutton presented her with a past president's pin. Corsages were given to Kitty Money, Janelle Sassarini, Mildred Denny and Ida Clatterbuck by Mrs. Gini, and she thanked everyone for "a wonderful two years." Ione Virus and Joan Van Sant were unable to receive their corsages as they were both hospitalized.

Mrs. Sutton announced the following as her chairmen for next year: Janelle Sassarini, room mother; Jerry Bonano, budget and finance; Bonny Houlgate, publicity; Marylou Smith, recreation; Roberta Huber, child health and welfare; Jack DeRyk, fund raising; Paul Shively, project committee, and Ron Mucha, legislative and citizenship.

Refreshments were served by the first grade room mothers.

April 27 Meeting of Tahoe Planners

CRYSTAL BAY—The Tahoe Regional Planning Commission will convene at 10 a. m. April 27 to consider suggested changes in the Lake Tahoe 1980 regional plan. The TRPC advises most of the revisions are proposed by its advisory committee, reflecting developments occurring since the plan was prepared.

At its March meeting, the commission requested counties in Nevada to appoint members of their boards to the TRPC. Robert Grunwald, planning consultant, is drafting enabling legislation to permit counties in the Silver State to enact scenic easement ordinances.

SIX GRAND JURIES HAVE COMMENDED THE WORK OF

John T. Trauner

Following are comments made in the annual reports by the Nevada County Grand Juries, indicating the efficient work of your Auditor-Controller:

1957 GRAND JURY REPORT
"We feel the Auditors office is being operated efficiently, especially since a bookkeeping machine has been installed in the Auditors office."

1958 GRAND JURY REPORT
"It is with a great deal of pleasure that we are able to report that the County Auditor gives every evidence of continuing forward looking studies and improvements in administrative and operating procedures."

1959 GRAND JURY REPORT
"This committee has undertaken a study of the scope of this office (Auditor) and finds that efforts put forth in altering and improving the accounting methods of this office and their relationship to County Government are in accord with best accounting principles. This committee finds the office functioning smoothly and efficiently."

1960 GRAND JURY REPORT
"Mr. Trauner has effected many improvements in methods and procedures in his own department which have resulted in greater efficiency and full utilization of personnel and equipment."

1963 GRAND JURY REPORT
"This department (County Auditor) is well organized and is functioning in a highly efficient manner."

1965 GRAND JURY REPORT
"From all appearances this office (Auditor) was found to be conducted very efficiently and economically. The personnel seemed adequate to maintain the standard of competence the office has attained."

"LAKE ECHOES" By Bethel

A garden ceremony united Bonnie Sundquist and Jerry Lee Jave in marriage Saturday afternoon at The Highlands home of Eugene and Jeanne Sundquist. The Rev. Wm. Marx officiated and the bride was given in marriage by her father, Eugene Sundquist. The maid of honor was her cousin, Katherine Loutensock of Salt Lake City, gowned in off white with yellow roses bouquet. The best man was William Freeman of Auburn.

For her wedding, Bonnie wore her mother's wedding gown of white satin, which was floor length, with long sleeves and a sweetheart neckline and a shoulder length veil. She carried a bouquet of white baby roses.

The bride's mother, Jeanne Sundquist, wore a chiffon dress and a corsage of yellow roses. The mother of the groom, Mary Jave of Auburn, wore a blue suit with a yellow rose corsage and his grandmother, Rita Hilton of Roseville, wore a sky blue dress and a corsage of yellow roses as well.

The reception was held in the garden of the Sundquist home.

After a honeymoon at Lake Tahoe the couple will make their home in Martinez.

Guests from out of town were Mr. and Mrs. M. S. Hatch, Mrs. Emil Sundquist, Vernal, Utah; Mr. and Mrs. Albert Loutensock, Magna, Utah; Capt. and Mrs. George S. Kelly, Mrs. Bob Hahn, Los Angeles; Mr. and Mrs. R. Macy, Colfax; Jack Hilton, Roseville; Mrs. A. Fulton, Auburn, and Mr. and Mrs. F. Reeser, Applegate.

North Shore Death Brings Indictment

RENO— Cecil M. Moore, 56, of Reno was indicted by the Washoe County grand jury Monday, charged with involuntary manslaughter and being a habitual criminal.

Moore was accused of responsibility in the death of Mrs. Dolores Watson of Fremont when she was killed in front of a north Lake Tahoe resort April 2, after being struck by a car. The grand jury information also charged him with having five prior felony convictions —all in California. Conviction on the latter could result in life imprisonment.

May 4 has been set for entering a plea. A $5,000 bail was reduced to $2,500 when it was pointed out the last felony conviction was in 1951 and that Moore had worked steadily for one employer for the last four years.

Class Activities in District's Schools

TAHOE LAKE SCHOOL

Kindergarten—Mrs. Henke: Pamela Bundren served pink cupcakes to the morning class on her birthday. Friday Pamela received a picture book from the class.

Richard Kemp joined the afternoon class last week. Darby Holbrook succeeded in making very good numbers to 30.

First Grade—Miss Bean: Our class is studying about space and the planets. We have a spelling chart made of planets and every time someone gets a star he gets to put his rocket up to another planet. We are having a race to see who can make it to the farthest planet first.

First Grade— Miss Neal: We have beene studying many things about space, learning what makes up our solar system and the space beyond. Next week we will learn the sizes and differences of all the planets in our solar system.

We had a birthday. Sandra Webb is now seven years old.

A new boy, Patrick Stacy, joined us last week.

Our helpers were Kelly Haggadorn and Carol Peterson, housekeepers; Eric Klaussen, doorman; Twyla Clotfelter, librarian; Ann Quinan and Pat Stacy, paper officers.

Second Grade—Mrs. Read: The class has been making book reports on their library books from the school library. Patty O'Grady is leading the class in the most well done reports.

Cindy Collins was president last week. Her helpers were Jane Shaver, Jeanne Nichols and Mandy Ballenger.

Second Grade—Mrs. Steinhauser: One hundred per cent last week in both dictation and spelling were Jerry Stueven, Barbara Anderson, Karla Read, John Speak, Mike Evers, Linda Smith, Carrie Hanson, Kathy Hicks and Kristen Streepey. President for the week was Patty Long. Her helpers were John Von Nolde, Robert Kemp and Darlene Anderson. Returning to the class was Robert Kemp.

Third Grade—Mrs. Carneal: The third grade class are beginning their study on Indian arts, crafts, homes and ways of life.

On Friday all of the children tried their hands at pottery making. These pieces will be fired, sanded, designed and glazed.

Outstanding pieces were begun by Andy Bodine, Tim Tilton, Mark Mercer, Mark Briner and John Pierre LeGras.

Fifth Grade—Mrs. Diurni: During the week following Easter vacation it took three days to settle down to school. By Thursday and Friday the following good work was turned in: A's on adding and subtracting figures: Casey Hanna, Brad Jorgensen, Sandy Keechler, Sonya Kimball, Marcine Paterson, Mark Swan and Vince Smith. 100's on spelling: Danny Hauserman, Becky Horton, Sandy Keechler, Kenny Nichols, Marcine Paterson and Lisa Vanni. Science test on machines: Mike Steigh got the perfect paper and A's to Rick Collins, John Phelan and Lisa Vanni.

The class art project Friday was "finger painting." Blair Beck had the best "painter shirt" in the whole class!

Eighth Grade—Mrs. Steinhauser: This last week and exceptional movie was seen, "The True Story of an Election." It was made during the 1962 campaign between two candidates in Orange County, California. The class learned much seeing it.

Past test grades in civics were high. Earning A and A- grades were Nikki Ballenger, Lynn Duttweiler, Sharon Christensen, Sands Hall, David Intorf, Carol Lindstrom, Cathy Menges, Dorothy Pomin, Sally Starratt, Kristin Attardi and Mary Hauserman. Receiving the two highest grades were Mary Hauserman and Sally Starratt.

B test grades were made by Mindy Bechdolt, Peggy Hoff, James Long, John Scoville and Arthur Standish.

KINGS BEACH SCHOOL

Fourth Grade—Mrs. Wing: During social studies, Wednesday, we were honored by the visit of Dr. John Michcaelis, professor of social sciences at the University of California, Berkeley. For his benefit the following boys and girls put on a panel discussion on The Changing Japan: Patricia Johns, chairman, Katie Felte, Teresa Ferrari, Betsy Shaw, John McDown, Howard Rosamond and Sharon Briscoe.

Sixth Grade—Mrs. Schultz: Sixth spelling, Terri Burghardt, Gillian Byrne and Jackie Biggs received A's on our last spelling tests.

Seventh, Susan Leon, Martha Pope, Bob Letlow and John Tribuzio had perfect spelling papers. Others receiving A's were Linda Anderson, Michelle Plevel, Bonnie Weber, Meg McDonald and David Plevel.

Eighth English, the best write-ups on "Paragraph Sense" were done by Gary Price, Dona Beck, Taber Maxhimer and Linda Thompson.

The world's largest underground zoo for nocturnal and burrowing animals is in Highland Park, Pittsburgh, Pa.

Michael Kumle Ends USMC Basic

SAN DIEGO, (FHTNC)—Marine Pvt. Michael A. Kumle, son of Mr. and Mrs. Gilbert M. Kumle of Truckee, has graduated from Marine recruit training at the Marine Corps Recruit Depot here.

During his eight weeks of intensified recruit training he learned small arms marksmanship, bayonet fighting and methods of self-protection. He also received instruction in military drill, history and traditions of the Marine Corps and other academic subjects.

He will undergo four weeks of individual combat training and four weeks of basic specialist training in his military occupational field before being assigned to a permanent unit.

DONNER DOINGS . . .

By Marcella Corro

Snow and cold temperatures seem to be the weather trend for the past week. Yes, it's April again.

The Truckee Fire Etes had a very successful social meeting last Thursday eve at the Flycasters Club. About 35 members and guests joined in the hat derby and wine tasting event. Hosting for Almaden Wines were Bob Zirbel and Stanley Zirbel. They served eight delicious flavors with your favorite choice with the tasty veinersnitzel buffet. Judging for the hat parade was quite difficult with all the clever and pretty ideas. Some were covered with lovely spring flowers, one cutie had pine and pussy willows with the birds and the bees. Several were huge Easter baskets, one a replica of the swimming pool wanted for the local area and others too numerous to mention. First prize went to Ella Waters for the most glamorous hat of pink chiffon with pink bunnies adorning the top. Second prize went to Marcella Corro for the most glamorous hat with a high hat and a large brim covered with Easter decorations. Third prize went to Lena Bollock for the most original, a pretty little straw with fresh vegetables cleverly arranged and streamers of spaghetti. Fourth place went to Mrs. Karen Zirbel. Befitting to the product her hat was decorated with grapes and a wine glass spilling out wine. For the next five outstanding hats each girl was given a bottle of her favorite wine. Everyone enjoyed a great time.

A board meeting of the Donner Lake Auxiliary was held Monday eve at the home of "Gil" Gilson. A brief discussion was held on merging with the Truckee Fire District and the continuing of our annual events for the coming year.

Our regular meeting for the Donner Lake Ladies Auxiliary will be held tonight, the 21st at Smart's restaurant at 7:30. Ozella Slate and "Gil" Gilson are hostesses for the evening. Make it a date to attend and bring a guest.

* * *

Midweek fishing was slow as the temperatures were a bit chilly. Saturday was a good day and everyone caught some nice kok. Several small macs were taken on flatfish. Sunday the wind blew all boats for the shore.

* * *

Our shuffleboard tournament played the last games last week after six weeks of close competition. Playing in the men's league were Bill Scanlon, Tony Vidergar, Dick Higgins, Leon Hutchins, Jerry Cardinal, Ken Lahey, Reg Smart and Doug Watkins. Playing for the ladies league were Anna Mae Higgins, Florence Waters, Sylvia Floyd, Pettie Brown, Georgiana King, Arlene Smart, Marcella Corro and Jean Scanlon. The trophy for first place went to Georgiana King with 151 points. Second place went to Arlene Smart with a close 150 points, and third place to Jean Scanlon with 148. The high team was Anna Mae Higgins and Arlene Smart with 13 wins and 5 losses. Second high team was Pettie Brown and Marcella Corro, with 10 wins and 9 losses. For the men's league first place went to Reg Smart with 155 points, second place to Doug Watkins with 148 points and third place to Ken Lahey with 148. High team was Bill Scanlon and Reg Smart with 11 wins and 8 losses. Second high team was Ken Lahey and Dick Higgins with 10 wins and 9 losses. Don't forget, if you are interested in joining the new tournament you can sign up at Smart's. A delicious dinner was given by Smart's for the tournament players Friday eve. The evening was enjoyed with cocktails and dancing to a western group.

Sierra Skiing . . .

By VI WHITE

Winter sports are gradually coming to an end, but the ski slopes are still well covered with good corn snow.

Sacks and sacks of rock salt were used to spread over the courses at Sugar Bowl last weekend to insure a hard surface for the two big races.

A lot of the racers had difficulty though in the tricky tight slalom that was run Saturday in memory of the late Buddy Werner, a member of the U. S. ski team who was killed in an avalanche two years ago.

Only 12 men out of 30 finished. Rod Hebron of Canada had the best time in two runs, 94.51; Dennis McCoy of Mammoth was second with 98.18 and Greg Schwartz of Sugar Bowl was third in 98.31.

The women had the same trouble missing gates or falling and only half of their field finished.

Wendy Allen had a time of 98.13; Rosie Fortna, 98.33 and Cathy Allen, 99.33, all of Mammoth, racing a shorter course.

After the event, the traditional baseball game on skis was played against the ski writers and the racers.

The writers were backed up with some of the veteran racers and beat the younger stars by three to one! Thanks to Bill Berry who was umpire in the tough struggle. Bill covers winter sports for the Sacramento Bee.

On the porch, the Alpineer Ski Club from San Francisco held their annual gay cheese fondue party and danced all the folk dances they knew with live accordion music.

* * *

Squaw Valley is holding its annual spring carnival this weekend, fun races, dances, swimming and all sorts of gay activities have been planned.

Last Tuesday the Sierra Tinker Belles Garden Club rode the Gondola to the Gold Coast area and had a skiers lunch on top.

Billowy clouds formed a beautiful backdrop for the higher peaks and everyone enjoyed the trip. This was the last visit t o a ski area this winter, from now on the members hope to be able to do some gardening now that the snow is leaving the lower slopes.

* * *

A strong cold wind blew Sunday making the annual Silver Belt giant slalom course fast.

French skier, Phillipe Mollard of Mammoth won the belt with a time of 85.56, Rod Hebron was close behind with 86.58 and Jim Heuga with 86.78 placed third.

Cathy Allen ran the same course in a time of 95.62 to have the best women's time, Penny McCoy came down in 94.94 and Wendy Allen in 95.38. All were from Mammoth.

In the veterans class, Dave McCoy owner of Mammoth Mountain ski area had top time, 96.65, Tom Dempsey, Mammoth 97,81 and Otto Sarlo, Dodge Ridge 98.35.

Other skiers who raced in the invitational meet were Dennis McCoy, Barney Peet, Loris Werner, Don Brooks, Wally Rothgeb, Jr., Dick Dorworth, Jim Barrows, Spider Sabich, Greg Schwartz, Charles McWilliams, Ken Phelps, Pat Cooper, Rod Taylor, Craig Holliday, Walt Falk, Chris Mazzola, Oswaldo Ancinas, Werner Schuster, Bob Autrey, Bard Glenn, Norm Sayler, Jerry Wyrick, Ray Kellner, Peter Picard, Al Gibbon, Ed Thys, Geraldine Shimmer and Virginia Birimisa.

* * *

The Far West Ski Instructors Convention is being held at Mammoth this week. Many associate instructors hope to pass the tough exams and become certified this year. They must be able to demonstrate correct skiing positions, be able to detect wrong movements and pass long written and oral examinations.

* * *

An official timers clinic and course will be held this Saturday evening at the home of Fritz Kramer, 4130 Norris Avenue, Sacramento, starting at 6 p. m. The session will last four hours. Those who complete the course successfully will be certified Far West Ski Association timing officials. .

* * *

The FWSA convention will be in Las Vegas this year April 29 to May 1st.

* * *

Alpine Meadows and Squaw Valley are still open this week and report good morning and late afternoon skiing.

BIG TAX BITE

SACRAMENTO —(CNS)— The Pacific Gas and Electric Company announced its total property tax bill for 1965-66 was $92,729,334, paid to 49 of the state's 58 counties.

Lively 3 Weeks At Topaz Room

CRYSTAL BAY—It's been a lively three weeks for audiences at Nevada Lodge's Topaz Room, as the Page and Stewart combo, featuring glamorous Sonja Lee, has kept the music bouncing and the humor sparkling.

This is the last weekend for the talented group, who share the Topaz Room spotlight with the smooth Jack Grayson Trio. It's a musical bonanza for fun-lovers at North Lake Tahoe's largest year round resort hotel casino.

The Jack Grayson Trio is a relatively new act on the club scene, and for this, their first Nevada Lodge stint, they come fresh from a record-breaking run in Phoenix's popular Islands Restaurant.

Jack Grayson leads the group; while mastering the drums and smoothly polished vocals. Beauty and talent is provided by pianist Marilyn Spencer who breathes new life into old pianos. Bass, trombone, and colorful vocal stylings are contributed by Tommy Whittaker, to round out the group.

Each has individual show business experience which includes big bands and smaller groups, preparing for the time when they were to weld together the present trio which promises to go all the way to the top.

The Jack Grayson Trio will entertain Topaz Room audiences through May 3.

As the two groups alternate on stage, the audience is treated to a variety of entertainment which never runs dry. Uptunes, ballads, satires, jazz, old favorites, fold—it's all there to provide a feast for the musically hungry.

Cal-Vet Holding Line On Farm, Home Loan Rates Despite Raises

SACRAMENTO —(CNS)— Joseph M. Farber, state director of veterans affairs, said the department had no intentions of increasing the interest rate on Cal-Vet farm and home loans, even though the FHA and VA have boosted interest charges to 5¾ per cent.

"We plan to hold the line at 3¾ per cent," Farber said.

The 3¾ per cent interest rate on the 130,000 outstanding loans under the state program has been in effect since 1962.

"The major factor which has made it possible for us to retain our favorable interest rate is the initiative and integrity of our loan holders," Farber said. "Since the program was inaugurated in 1921, our repossession rate has remained at one-tenth of one per cent."

Truckee Holds Big Lead In State Travel

The Truckee quarantine station maintained its lead as a favorite port of entry into California last month when 113,456 cars, buses and trucks were counted.

Of this total, 106,668 were autos, 6,214 were trucks and 574 were buses.

This was a considerable gain over February when a total of 97,318 vehicles were checked at the local station.

The only station any where near Truckee in volume of traffic during March was Yermo where 84,603 vehicles were checked.

One hundred and seventy-three lots of plant material, 42 lots of insects, 35 lots of disease and 13 lots of weeds were intercepted by clerks at the Truckee station during March.

* * *

SACRAMENTO — (CNS) — A total of 675,558 vehicles passed by the 17 border quarantine stations on highways during March, the department of agriculture reported, as compared to 643,391 in March of 1965.

The traffic during March included 626,876 passenger vehicles, 44,905 trucks and 3777 buses. This compared to 597,605 passenger vehicles, 44,244 trucks and 3562 buses in March, 1965.

The Truckee station, on I-80, had the most traffic, with a total of 113,456 vehicles passing during the month, including 106,668 automobiles, 6214 trucks and 574 buses.

DIVIDEND DECLARED BY SIERRA PACIFIC CO

Directors of Sierra Pacific Power Co. today declared the utility's 109th cash dividend on common stock . . . 15 cents a share.

Meeting in Reno, directors continued the pattern set in January when the per share quarterly dividend was increased from 14 to 15 cents.

The 15-cent dividend is payable May 1 to stockholders of record April 20.

Quarterly dividends also were declared on preferred stock, Series A at 61 cents and Series B at 59 cents. These are payable June 1 to holders of record May 16.

Solons Ponder Fate Of Squirrels in Park At Capitol of State

SACRAMENTO —(CNS)— The assembly rules committee has approved a resolution designed to protect the "friendly fun-loving squirrels" in the state capitol park from abusive dogs and cats.

Assemblyman Frank P. Belotti, Eureka, long a benefactor of the capitol park rodents, introduced the resolution asking the state police to enforce the rule which prohibits unleashed dogs and cats in the park.

Belotti, who has authored resolutions in the past to provide food for the squirrels, said he personally had seen women turn their pets loose to run after the squirrels. However, Belotti opposed a suggestion that the "'best thing for the squirrels might be to release the dogs to chase the cats so they both would be too busy to chase the squirrels."

Belotti said controls over dogs and cats were necessary in capitol park because the squirrels in the park were "'very trusting."

ADEQUATE WATER IN BASIN REPORTED

If April and May weather conditions are normal, Lake Tahoe will fail by half a foot of reaching its maximum elecation of 6,229.1 feet, but there is adequate water for all down stream users, according to representatives of the Truckee-Carson Irrigation District, the Washoe Water Conservation District and the Sierra Pacific Power Company.

A recent survey showed that the Truckee River system, including the Lake Tahoe Basin ranges from 75 to 85 per cent of normal.

Predictions, based on normal conditions, show that Donner Lake will fill to capacity of 9,500 acre feet by June 15.

Independence Lake will fill to capacity of 17,500 acre feet by July 1.

Prosser reservoir is not expected to reach its capacity of 30,000 acre feet.

Both the Truckee and Little Truckee rivers are expected to discharge 72 per cent of their normal flow during the April-July period.

ANDERSON ENDORSED

SACRAMENTO — (CNS) — Support for re-election of Lieutenant Governor Glenn M. Anderson has been pledged by 21 Democratic state senators, including Senator Hugh M. Burns, Fresno, president pro-tem.

County Maintains 527 Miles Of Road

Nevada County is forty-eighth in rank of California's fifty-eight counties for mileage of maintained county roads with 527.20 miles, Jack M. Meade, director of public works, announced an increase of 13.5 per cent since the same period of 1960.

San Bernardino County tops all of the counties for maintained county roads with 4792.00 miles, and Los Angeles County second with 4028.32 miles. Third is Fresno County with 3959.52 miles, and fourth, Kern County with 3480.65 miles, as certified by the state controller early this year.

Nevada County receives only $42 a miles per month for maintenance of these roads.

California had 95,000 farms in 1963, of which about 67 per cent were commercial.

PLACER EXAMINATIONS

AUBURN—The Placer County Personnel Department has set final date for filing to take examinations for three positions. April 29 is the final date for filing for civil engineer assistant; April 22 for tab operator and May 31 for senior planner. Applications may be made with the personnel department at Auburn.

Board Turns Down Tahoe Fund Bid

AUBURN—Placer County supervisors last week rejected a request for $3,200 from the Tahoe City Motel Owners Association to help pay salaries in public relations projects of the organization.
County Counsel Richard V. Smith advised the board that the attorney general has ruled such donations are prohibited.
In a related matter, the supervisors indicated they plan to visit the Tahoe area as a group in the near future. Supervisor William S. Briner of Tahoe City said the motel owners want to meet the supervisors and discuss mutual problems with them.

Water Distribution Proposals Protest By Pyramid Tribe

Assuring the Lake Tahoe Area Council of ample water in the Lake Tahoe-Truckee River watershed up to the year 2000, H. Smith Richards, Washoe Project manager, cautioned everybody will not have all the water he wants and "there won't be enough left to restore Pyramid Lake to its original size."
Such prospects brought strong protest action from the tribal council of the Pyramid Lake Paiute Indians.
"We have been fighting for our water for 50 years. And if the proposed agreement of the California-Nevada Compact Commission becomes law, we are doomed," the council stated.
They have re-emphasized their request that the interstate compact commission "recognize the needs of Pyramid Lake."
In doing so, the council joined officials of Reno, Sparks, Washoe County and the Nevada Fish and Game Commission in calling for changes in the proposed agreement.
The council also reported it has "assurance" from the department of interior "that greatly increased flows of water to Pyramid Lake would take place if the tribe would support the Washoe Project."
The tribe does support it.
The department of interior, according to the Paiute council, predicts the annual inflow of water to Pyramid Lake will be hiked from 150,000 to 215,000 acre-feet annually upon completion of the Washoe project.
Also, the council spokesman said, "there is the possibility that this amount might be increased by another 100,000 acre-feet if the historic Truckee River flow returns."

Truckeeite Leads College Program

HUMBOLDT STATE COLLEGE, Arcata—Terry Marquette, junior political science major from Truckee, has been named 1966 student director of Frosh Camp according to Dr. Nedd Girard, faculty Frosh Camp advisor here.
Sponsored by the associated student body, the annual event is held to help incoming freshmen become acquainted with college life, meet their faculty advisors and learn about campus routines and activities. Picnics, a variety show, buzz sessions, a sock hop and "dress-up" dinner will be among the scheduled activities for this year's camp, set for September 9 through 10.
Marquette is the son of Mr. and Mrs. Jack Marquette of Truckee. His past activities at HSC include sophomore class president, junior class president, Casino Night chairman, '65, homecoming parade chairman, '65 and frosh camp counsellor, '65.
The steering committee is now completing plans for the 1966 frosh camp, and applications from high school graduates who will be entering Humboldt State next fall will be accepted from now until the camp quota is filled this summer.

Swim Pool Group Seeking Support

Randy Bobby, recreation superintendent, presided at an open meeting of the swimming pool committee, held Tuesday evening. The meeting was held to inform the community of what the committee has accomplished and to formulate plans to continue the program. Many people attended, showing considerable community interest.

Hugh Gallagher, superintendent of Storey County schools of Nevada, was a special guest speaker. His group had recently built a swimming pool for their area in Virginia City and he was present to share the benefit of their experiences. He explained in detail how the project was started, how they obtained financing and showed color slides of the pool and facilities.

Representatives of several local organizations were present. It was determined that an indoor-heated pool large enough for competition, with diving and wading facilities, would be the type the committee would seek estimates on. The next step in the program will be to prepare complete schedules of use and estimates of building costs and maintenance. To do this a finance committee, Fred Hodder, chairman, and a facility committee, Randy Bobby, chairman, were formed. Anyone desiring further information or who would like to assist may contact Hodder, Bobby or Kitty Money.

Horsemen Approaching Important '66 Session

A detailed review of last year's activity and consideration of plans for the coming season will head the agenda of the Truckee-Donner Horsemen's Association May 2. President Frank Snyder will convene the session at 8 p. m. in the Truckee fire station. This will be the first meeting of 1966 and all interested in the group's program will be welcomed.

State Senate Moves to Study Squaw Dilemma

SACRAMENTO — A resolution adopted by the senate calls for a study by the state department of parks and recreation of the feasibility of acquiring lands, concessions and contracts in the Squaw Valley recreation area necessary for a well-rounded winter and summer recreation program. The resolution SR 77, Short, directs that a report be submitted to the 1967 legislature.

Jim Harris Elected As Jaycee Prexy

Jim Harris was elected as president of the Donner Area Junior Chamber at a meeting at Hilltop Lodge Monday night. He will succeed Fred Hodder, who presided at this week's session.

Other officers for the 1966-67 activity year elected are Bud Howe, internal vice president; Leon Lucchesi, external vice president; Ken Taylor, treasurer; Hap Jones, secretary; Dave Perry, Bill Irby and Ray Craig, directors.

The new Jaycee leaders will take office at an installation banquest, scheduled for May 21.

Emblem Club Members Travel to Sacramento, Take Part in Conclave

TAHOE CITY — Five members from Lake Tahoe Sierra Emblem Club No. 347 attended a meeting in Sacramento, April 16, held by the officers of the Supreme Emblem Club on protocol.

A full program of discussions was conducted by supreme officers on topics ranging from parlimentary procedure to income tax laws affecting clubs.

A lovely luncheon was enjoyed by Pat Vanni, president; Macie Henkie, vice president; Sybil Anderson, corresponding secretary; Sophie Levra, Jr., past president, and Gwen Hill, press correspondent, all from the Tahoe-Sierra club.

The next such session will be in Marysville in November.

A board meeting will be held by Lake Tahoe Sierra Emblem Club on Monday, April 25 at 7:45 p. m. at the Nevada Lodge. There will be a floor work practice before the meeting for all incoming and outgoing officers.

Dog License Ordinance Set for Full Enforcement

NEVADA CITY—Upon completion of the April 25 dedication of the Nevada County addition to the Grass Valley Animal Shelter, Ordinance No. 280, passed and adopted by the board of supervisors on May 13, 1963, regulating the licensing of dogs in Nevada County, will be enforced.

Dog licenses are issued on a fiscal year basis, and may be procured at the county clerks office, courthouse, Nevada City, California.

UOP Tour Band Presents Concert

by DOUG BARRETT

Last night I spent one of the most pleasant evenings I have enjoyed in a long time—and I'm sorry more of you weren't with me. I went to hear the University of the Pacific's concert band, playing at the Tahoe Truckee high school during its 1966 spring tour.

If the advance promotion work had been done with the same efficiency the musicians displayed, there would have been standing room only instead of a half filled hall. I hope that the UOP group will include this community on future tours and that sufficient advance notice is given to bring out a crowd worthy of the occasion.

This was one of the finest—and most attractive—musical aggregations I have heard anywhere, and I do a lot of travelling. It would be hard to single out any one performer but certainly cornetist John Shreve deserves more than passing comment. He was able to step up to solo in "Napoli" and immediately join Robert Moorefield and JoAnn Applequist in a flawless rendition of "The Trumpeters' Carnival," while the composer, Gordon Finlay, conducted.

Then, I've long been a sucker for a good percussion section and this organization has one. Active and smooth, they moved from tone poem to military march without bobble.

The real test in the varied program came with Gianstera's "Danza Final," inspired by the cowboys of the Argentine pampas. The complex composition seems to call for the musicians playing together at times and in opposition at others. Finlay warned the audience this was a "way out" number. If it had not been firmly directed and skillfully played, it could have been a mess. As it was, it was a memorable delight of concert novelty.

When the band played Sousa's "Stars and Stripes," Frank Austin, director of the local high school band, picked up his piccolo and joined in. The whole rendition of this standard had an unusual gaiety and lilt.

After intermission, student director Stanley Mitchell took over the podium, leading his colleagues smoothly through the complex "Procession of the Nobles." Miss Sue Hanifen laid aside her flute to do a vocal solo on a medly from "The Unsinkable Molly Brown." That musical comedy demands a soloist bring optimistic vigor to its numbers and the attractive Miss Hanifen certainly met that qualification.

Yesterday afternoon the group played a similar concert for the students of the high school.

The tour band consists of 50 members, largely UOP music majors, many of whom plan to become school music instructors. Finlay has directed bands at the Stockton school since 1961, after 20 years as a cornet soloist with the U. S. Navy band in Washington, D. C

"Bub" Tobiassen At Convention in S. F.

NEVADA CITY—Elton "Bub" Tobiassen, assessor for the Nevada Irrigation District, is attending the spring convention of the California Irrigaton Dstrict Association to be held in San Francisco at the St. Francis Hotel, April 19, 20, 21 and 22.

Tobiassen is serving his second term as chairman of the assessors-collectorstreasurers and secretaries group of the association, representing all irrigation and water districts from Stanislaus County to the Oregon border. He was elected to the position in 1960 and reelected in 1963. He is a candidate for Nevada County assessor at the June 7 primary election.

Hsi wife, Marjorie, will accompany him to the bay city.

Three Area Educators At Sacramento Session

Three local educators have been invited to attend a conference today and tomorrow in Sacramento, dealing with new knowledge and practices in the teaching field. They are James Brehler and Lucille Sauby of the Tahoe-Truckee High School and Suzanne Reams, Truckee Elementary School.

Designed as a working conference, the sessions are expected to establish priorities in re-educating teachers. Detailed explanation will be made into who should develop programs, how time can be budgeted and what are the more pressing needs. Several noted speakers in the field are scheduled.

Around 400 educators from 20 counties will participate. Helen Strickland of the Placer County schools office is conference chairman for the committees of the county school superintendents.

IN PLACERVILLE

Nels Stone, fire control officer, and Henry Toccalini, fire prevention officer, for the Truckee Forest Service station, are in Placerville attending a two-day regional meeting on fire danger rating.

CLINIC FRIDAY

The next regular Nevada County health department clinic in Truckee will be held Friday, April 22, at the government center in Gateway between noon and 1 p. m. according to Dr. Ray E. Wiser, health officer.
